

Uniting Church Chaplaincy-  
CSU, Port Macquarie invites  
you to join their webinar.

As Church, how does our  
faith inform our response to  
the Black lives matter  
movement? How can we  
face the truth and history of  
racial inequality in Australia  
and instead choose to be  
good allies, taking a strong  
stand on continuing  
conversations to create  
reconciliation and equality  
for all?
